About Water Tower Research

WTR is modernizing Investor Relations through research-driven communications and Investor Engagement. Sound investment research begins with good information. At WTR, we help companies and investors connect by creating expert information flow and strategies that are the foundations of a successful modern investor relations platform. Our analysts and capital markets professionals bring decades of unrivaled Wall Street experience and insight to a new digital world of investor communications and engagement. Our research and investor content are open for everyone to access and distributed across traditional research aggregators like Bloomberg, FactSet, etc., proprietary direct distribution lists, social media, search engines, and our website. As a result, every institutional and retail investor has equal access to our high-quality company research. Our mission is to help companies take control of their IR program and proactively reach investors while bringing investors a consistent flow of quality information to help them understand our clients' businesses, industries, and the investment opportunities they present.

About Flexsteel

Flexsteel Industries, Inc., and Subsidiaries (the "Company") is one of the largest manufacturers, importers, and marketers of residential furniture products in the United States. Product offerings include a wide variety of furniture such as sofas, loveseats, chairs, reclining rocking chairs, swivel rockers, sofa beds, convertible bedding units, occasional tables, desks, dining tables and chairs, kitchen storage, bedroom furniture, and outdoor furniture. A featured component in most of the upholstered furniture is a unique steel drop-in seat spring from which the name "Flexsteel" is derived. The Company distributes its products throughout the United States through its e-commerce channel and direct sales force.
