ITEM 4. DESCRIPTION OF SECURITIES.

Not Applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not Applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 302A.521 of the Minnesota Business Corporation Act provides that a corporation shall indemnify any person who is made or is threatened to be made a party to any proceeding by reason of the former or present official capacity (as defined) of such person against judgments, penalties, fines (including, without limitation, excise taxes assessed against such person with respect to any employee benefit plan), settlements and reasonable expenses, including attorneys’ fees and disbursements, incurred by such person in connection with the proceeding if, with respect to the acts or omissions of such person complained of in the proceeding, such person (1) has not been indemnified therefore by another organization or employee benefit plan; (2) acted in good faith; (3) received no improper personal benefit and Section 302A.255 (with respect to director conflicts of interest), if applicable, has been satisfied; (4) in the case of a criminal proceeding, had no reasonable cause to believe the conduct was unlawful; and (5) reasonably believed that the conduct was in the best interests of the corporation in the case of acts or omissions in such person’s official capacity for the corporation or reasonably believed that the conduct was not opposed to the best interests of the corporation in the case of acts or omissions in such person’s official capacity for other affiliated organizations. “Proceeding” means a threatened, pending or completed civil, criminal, administrative, arbitration or investigative proceeding, including one by or in the right of the corporation.

The 1983 restated articles of incorporation, as amended, of the Registrant provide that the Registrant SHALL indemnify its former and present directors, officers and members of the committees of the Registrant's Board of Directors, and one who at the request of Registrant is serving as a director or officer of another corporation, partnership, joint venture, trust or other enterprise including employee benefit plans; and MAY indemnify one who at the request of the Registrant is serving as an employee, partner, trustee, fiduciary, agent, attorney or in any other capacity of another corporation, partnership, joint venture, trust or other enterprise including employee benefit plans, and one who is serving the Registrant as an other person such as employee, partner, trustee, agent, attorney, fiduciary, or in any other capacity (all the above are collectively referred to as "Indemnitees" and individually as an "Indemnitee") for actions undertaken or omitted in such capacity to the fullest extent permitted by the Minnesota Business Corporation Act, other applicable statutory and case law (collectively, the "Law"), as all the foregoing existed as of November 1987 or thereafter, from time to time, may be changed, amended or supplemented. The indemnification shall inure to the benefit of the person, the person's heirs, legal representatives and administrators.

If the Indemnitee institutes a proceeding against the Registrant, the Indemnitee shall not be entitled to indemnification unless the Registrant has first consented in writing to the proceedings prior to its commencement by the Indemnitee.

The Registrant is authorized, but is not required, to enter into contracts and agreements with any Indemnitee providing for indemnification and for the advancement and reimbursement of attorney's fees and disbursements, judgments, penalties, fines, excise taxes, other disbursements, amounts paid in settlement and other expenses of every kind and nature to the fullest extent permitted by the Law. The Registrant's failure to do so shall in no manner affect or limit the rights provided for in the Registrant's 1983 restated articles of incorporation, as amended, or otherwise.

The maximum aggregate amount of indemnity payable by the Registrant to all Indemnitees arising out of the same occurrence regardless of how many claims or people are involved is \$5,000,000 in 1987 constant dollars over and above all insurance paid.

Any repeal, change or amendment affecting the indemnification provision in the Registrant's 1983 restated articles of incorporation, as amended, or the Minnesota Business Corporation Act or other applicable statutory and case law, shall not apply to eliminate, reduce or adversely affect any rights or protection of an Indemnitee existing prior to such repeal, change or amendment but to the extent the Law change permits the Registrant to provide greater or broader rights or protection, the Law shall apply retroactively to the effective date of this provision which was adopted in 1987.

Under a directors' and officers' liability insurance policy, directors and officers of the Company are insured against certain liabilities.

ITEM 9. UNDERTAKINGS.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the change in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;
- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to the Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
