This proxy statement and the proxy are solicited on behalf of the Board of Directors (the “Board”) of Flexsteel Industries, Inc. to be used at the annual meeting of shareholders to be held virtually on Wednesday, December 9, 2020, and any adjournments or postponements thereof, for the purposes set forth in the notice of meeting accompanying this proxy statement. The Company will pay the cost of the solicitation of proxies.

The mailing address of the corporate office and principal executive office of the Company is P.O. Box 877, Dubuque, Iowa 52004-0877. The approximate date on which this proxy statement and accompanying proxy card are first available to shareholders is October 26, 2020.

Meeting Purposes

At the meeting, shareholders will elect two Class I directors, Matthew A. Kaness and Thomas M. Levine, for three-year terms expiring at the shareholders meeting in 2023. In addition, the Board is asking the shareholders to approve the compensation of our named executive officers by advisory vote and an amendment to the Company’s Omnibus Stock Plan to increase the number of shares of common stock reserved for issuance. We do not expect that any other business, except for routine or procedural matters, will be brought up at the meeting. If any other business is properly brought up at the meeting, the persons named in the enclosed proxy will have authority to vote on these matters at their discretion.

Proxy Materials Available on Internet

In an effort to reduce the cost of delivering the proxy materials to our shareholders, we are making the materials available to our shareholders on the internet. On or about October 27, 2020, we sent shareholders a one-page “Notice of Internet Availability of Proxy Materials,” which included instructions on how to access our proxy materials on the Internet. The proxy materials, consisting of this proxy statement and our fiscal 2020 annual report to shareholders, are available at www.proxyvote.com. The Notice of Internet Availability of Proxy Materials also provides instructions on how to vote your shares. By making the materials available through the internet, we expect to reduce our costs, conserve natural resources, and expedite the delivery of the proxy materials. However, if you prefer to receive hard copies of the proxy materials, please follow the instructions included on the Notice of Internet Availability of Proxy Materials.

Voting

Only shareholders of record at the close of business on October 12, 2020, the record date, will be eligible to vote. There is only one class of stock entitled to vote at the meeting, our common stock, \$1.00 par value, of which there were 7,378,785 shares outstanding on the record date. A quorum, which is a majority of the outstanding shares, is needed to conduct a meeting. Each share is entitled to one vote for each director position; cumulative voting is not available. We encourage you to vote by telephone or on the internet. If your shares are held in your name, you can vote by telephone or on the internet by following the instructions on the proxy card or as explained in the Notice of Internet Availability of Proxy Materials. If you are a beneficial holder with your shares held in the name of your broker, bank, or other financial institution, you will receive telephone or internet voting instructions from the institution. If you received a paper copy of the proxy materials, you may vote your shares by signing and dating each proxy card you received and returning the cards in the enclosed envelope. The proxies will be voted according to your directions on the proxy card. If you return a signed card without specifying your vote, your shares will be voted:

- **FOR** the election of Matthew A. Kaness and Thomas M. Levine (Proposal I);
- **FOR** approval, on an advisory basis, of the compensation of the named executive officers (Proposal II); and
- **FOR** approval of an amendment to the Company’s Omnibus Stock Plan to increase the number of shares of common stock reserved for issuance from 700,000 shares to 950,000 shares (Proposal III).

If you sign and return your proxy card, your shares will be voted on any other business that properly comes before the meeting as determined by the persons named in the proxy. We urge you to sign, date, and return your proxy card promptly, or vote by telephone or on the internet, even if you plan to attend the virtual meeting via live webcast. If you do attend the virtual meeting, you will be able to vote your shares at the meeting even if you previously signed a proxy card or voted by telephone or on the internet. However, if you hold your shares in street name you must request a legal proxy from your broker or nominee to vote in person at the virtual meeting.

Shares Held by Broker

If you hold your shares through a broker, bank, or other financial institution, you will receive your proxy materials and voting instructions from the institution. **Your broker, bank, or financial institution will not vote your shares for any of the proposals without your specific instructions.** To ensure your vote is counted, you must provide directions to your broker, bank, or financial institution by following its instructions.

Changing Your Vote

If you wish to change your vote, you may do so by submitting a new vote by proxy, telephone, or internet. A later vote will cancel an earlier vote. For example, if you vote by internet and later vote by telephone, the telephone vote will count, and the internet vote will be canceled. If you wish to change your vote by mail, you should request a new proxy card from our Secretary at P.O. Box 877, Dubuque, Iowa 52004-0877. Your last vote received before the meeting will be the only one counted. You may also change your vote by voting via internet during the meeting. Your vote during the meeting will count and cancel any previous vote.

Vote Required

Votes cast by proxy or in person will be counted by the inspector of election appointed for the meeting, who will be present at the meeting. With respect to Proposal I, the affirmative vote of a plurality of the shares of common stock present in person or represented by proxy at the meeting and entitled to vote is required for the election of the director nominees named in this proxy statement. In determining a quorum, a "WITHHELD" vote will be counted, but will not be voted in favor of the nominee with respect to whom authority has been withheld. The two nominees that receive the highest number of "FOR" votes will be elected.

With respect to Proposal II and Proposal III, the affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the matter is required. Accordingly, an abstention on Proposal II or Proposal III will have the same effect as voting "against" the matter.

While the Board knows of no other matter to be presented at the meeting or any adjournment or postponement of the meeting, all proxies returned to the Company will be voted on any such matter in accordance with the judgment of the proxies.

Number of Copies Sent to Household

For two or more shareholders sharing the same address that do not participate in the electronic delivery of proxy materials, we only send your household a single copy of our annual report and proxy statement unless you previously withheld your consent to "householding" or instruct us otherwise. Householding saves us the expense of mailing duplicate documents to your home and conserves our natural resources, and we hope that receiving one copy rather than multiple copies is more convenient for you. However, we will promptly provide additional copies of our fiscal 2020 annual report or this proxy statement to the other shareholders in your household if you send a written request to: Office of the Secretary, Flexsteel Industries, Inc., P.O. Box 877, Dubuque, Iowa 52004-0877, or you may call us at 563-556-7730 to request additional copies. Copies of the annual report, proxy statement, and other reports we file with the SEC are also available on our website at <https://ir.flexsteel.com/financial-information/sec-filings> or through the SEC's website at www.sec.gov.

You may revoke your consent to householding at any time by contacting Broadridge Financial Solutions, Inc., either by calling toll-free 866-540-7095, or by writing to Broadridge Financial Solutions, Inc., Householding Department, 51 Mercedes Way, Edgewood, New York 11717.

**PROPOSAL I
ELECTION OF DIRECTORS**

Our Amended and Restated Articles of Incorporation permit the election of 13 directors. The Board currently consists of six persons divided into three classes. At each annual meeting, the terms of one class of directors expire and persons are elected to that class for terms of three years or until their respective successors are duly qualified and elected or until their earlier director class reassignment, resignation, removal, retirement or termination. Kaness and Thomas M. Levine for election as Class I Directors of the Company. The Board intends to add a seventh director early in calendar year 2021.

The Class I Directors' next term expires at the 2023 Annual Meeting or upon their respective successors being elected and qualified or until their earlier director class reassignment, resignation, removal, retirement or termination. PROPOSAL II

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

Section 14A of the Securities Exchange Act requires public companies to conduct a separate shareholder advisory vote on executive compensation. While this advisory vote, commonly referred to as a “say-on-pay” vote, is non-binding, the Board and the Compensation Committee will review and consider the voting results when making future decisions regarding our executive compensation programs. At the 2019 shareholders’ meeting, a plurality of our shareholders voted to perform a say-on-pay vote every year. After consideration of the voting results, the Company’s Board of Directors determined that the Company will conduct future shareholder advisory votes regarding compensation awarded to its named executive officers on an annual basis until the next advisory shareholder vote on the frequency of these advisory votes is held, which is currently required to be held at least once every six years.

In accordance with Section 14A of the Securities Exchange Act, we are asking shareholders to approve the following advisory resolution at the 2020 annual meeting:

RESOLVED, that the shareholders approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in the Executive Compensation section, including the summary compensation table and related narrative disclosure in the Proxy Statement for the Company’s 2020 Annual Meeting.

The Board of Directors recommends that you vote FOR adoption of the resolution approving the compensation of our named executive officers.

PROPOSAL III
VOTE ON THE AMENDMENT TO THE OMNIBUS STOCK PLAN

The Company's Board of Directors has approved a proposed amendment to the Omnibus Stock Plan ("**Existing Plan**") that would increase the number of shares reserved for issuance thereunder by 250,000 shares. The Amended and Restated Omnibus Stock Plan is referred to in this proposal as the Amended Plan. The purpose of the Amended Plan is to promote the interests of the Company and its shareholders by providing key personnel of the Company with an opportunity to acquire a proprietary interest in the Company and to reward them for achieving a high level of corporate performance, and thereby develop a stronger incentive to put forth maximum effort for the continued success and growth of the Company. In addition, the Amended Plan provides an opportunity to acquire a proprietary interest in the Company and aids in attracting and retaining key personnel of outstanding ability. The Amended Plan is also intended to provide nonemployee directors with an opportunity to acquire a proprietary interest in the Company, to compensate nonemployee directors for their contribution to the Company, and to aid in attracting and retaining nonemployee directors.

At the December 9, 2013 meeting, the Company's shareholders approved 700,000 shares of common stock for issuance under the Existing Plan. All incentives granted since initial approval of the Existing Plan have taken the form of stock options, restricted stock units and shares of the Company's common stock. As of October 12, 2020, the closing price per share of the Company's Common Stock was \$28.19.

Shareholders are often interested in the potential for equity dilution resulting from grants of equity incentives (performance shares, stock options, restricted stock, etc.) under a company's equity compensation plans. The percentage amount by which current shareholders' equity interests may be diluted as a result of such grants is commonly referred to as the "overhang." The overhang is calculated by dividing (i) the total number of incentives granted and available for grant under equity compensation plans, by (ii) the total shares outstanding assuming the exercise of all outstanding incentives and the grant and exercise of all available incentives. If the Amended Plan is adopted by the Company's shareholders, the overhang for all of the Company's equity compensation plans would be approximately 9.8%, based on the total shares outstanding as of the record date and incentives granted and available for grant under equity compensation plans as of the record date but giving effect to the proposed amendment. Shareholders are also interested in the rate at which the Company grants equity compensation, referred to as the "burn rate." The Company's three-year average annual burn rate, for the 2018-2020 fiscal year period, was 1.8%, net of forfeitures.

The Board of Directors recommends that you vote FOR the proposal to increase the number of shares available for grant pursuant to the Amended and Restated Omnibus Stock Plan, as described below.

Description of the Amended and Restated Omnibus Stock Plan

The material features of the Amended Plan are outlined below. This summary is qualified in its entirety by reference to the complete text of the Amended Plan. A copy of the Amended Plan is attached to this proxy statement as Appendix A. Shareholders are urged to read the actual text of the Amended Plan in its entirety.

Eligibility. Our employees, officers, and directors are eligible to participate in the Amended Plan.

Administration. The Amended Plan is administered by the Compensation Committee of the Board (the "**Committee**"). The Committee has exclusive power to (i) make awards, (ii) determine when and to whom awards will be granted, the form of each award, the amount of each award, and any other terms or conditions of each award consistent with the Amended Plan, and (iii) determine whether, to what extent and under what circumstances, awards may be canceled, forfeited or suspended.

Shares Available for Awards. Currently, the aggregate number of shares of our common stock reserved for issuance under the Existing Plan may not exceed 700,000 shares (subject to adjustment for changes in capitalization of the Company). If this proposal is approved, the aggregate number of shares of our common stock reserved for issuance under the Amended Plan will not exceed 950,000 shares. Any shares subject to the terms and conditions of an award under the Amended Plan that are not used because the terms and conditions of the award are not met may again be used for an Award under the Amended Plan.

Description of Plan Awards. The Omnibus Stock Plan provides that the Committee may grant awards to participants in the form of (i) shares of common stock subject to restrictions on transfer and conditions of forfeiture, if any, commonly referred to as "restricted stock," (ii) right to receive shares of common stock subject to restrictions and conditions, commonly referred to as "restricted stock unit," (iii) "incentive stock options" within the meaning of

Section 422 of the Internal Revenue Code or non-statutory stock options, (iv) rights to receive a payment from the Company in Common Stock equal to the excess of the fair market value of a share of common stock on the date of exercise over a specified price fixed by the Committee, commonly referred to as “Stock Appreciation Rights” or “SARs,” or (v) rights to receive payment from the Company in common stock based upon the achievement of performance goals established by the Committee, commonly known as “performance units.”

- *Options.* The Committee will have the authority to grant stock options and to determine all terms and conditions of each stock option, including a vesting schedule, if any. The Committee will fix the option price per share of Common Stock, which may not be less than the fair market value of the Common Stock on the date of grant. The Committee will determine terms and conditions of exercise, as well as the expiration date of each option, but the expiration date will not be later than 10 years after the grant date. The option price is payable in full at the time of exercise, provided that to the extent permitted by law, the Notification of Award may permit the participants to simultaneously exercise options and sell the shares thereby acquired pursuant to a brokerage transaction and use the proceeds from the sale as payment of the purchase price of the shares, or exercise the option in a “net exercise,” by which the number of shares distributed to the participant is reduced by the aggregate purchase price of the shares being exercised divided by the then fair market value of a share. The purchase price may also be payable in cash or by delivery or tender of shares (by actual delivery or attestation) having a fair market value as of the date the option is exercised equal to the purchase price of the shares being exercised, or a combination thereof. If the aggregate fair market value of the shares subject to the option that becomes exercisable during a calendar year exceeds \$100,000, then the option will be treated as a nonqualified stock option to the extent the \$100,000 limitation is exceeded. Each incentive stock option that the administrator grants to an eligible employee who owns more than ten percent of the total combined voting power of all classes of stock then issued by our company or a subsidiary must have an exercise price at least equal to 110% of the fair market value of the common stock on the date of grant and must terminate no later than five years after the date of grant.
- *Stock Appreciation Rights.* The Committee will have the authority to grant stock appreciation rights. A stock appreciation right is the right of a participant to receive Common Stock with a fair market value, equal to the appreciation of the fair market value of a share of common stock during a specified period of time. The Committee will determine all terms and conditions of each stock appreciation right.
- *Performance and Stock Awards.* The Committee will have the authority to grant awards of restricted stock or restricted stock units. Restricted stock means shares of common stock that are subject to a risk of forfeiture, restrictions on transfer or both a risk of forfeiture and restrictions on transfer. Restricted stock unit means the right to receive a payment of shares equal to the fair market value of one share of Common Stock. The Committee will determine all terms and conditions of the awards.

Performance Goals. For purposes of the Amended Plan, Performance Goals are the goals established for a given performance period, the achievement of which may be a condition for receiving an award under the Amended Plan. A Performance Goal may be adjusted in a Performance Period to prevent dilution or enlargement of an Award as a result of extraordinary events or circumstances as determined by the Committee or to exclude the effects of extraordinary, unusual or nonrecurring events, changes in accounting principles, discontinued operations, acquisitions, divestitures and material restructuring charges. Performance Goals may be based on one or more of the following criteria and may be based on attainment of a particular level of or positive change in consolidated (company-wide) or subsidiary, division or operating unit financial measures: (1) pre-tax or after-tax income (before or after allocation of corporate overhead and incentive compensation), (2) net income, (3) reduction in expenses, (4) operating income, (5) earnings (including earnings before taxes, earnings before interest and taxes, or earnings before interest, taxes, depreciation and amortization), (6) gross revenue, (7) working capital, (8) profit margin or gross profits, (9) share price, (10) cash flow, free cash flow or cash flow per share (before or after dividends), (11) cash flow return on investment, (12) return on capital (including return on total capital or return on invested capital), (13) return on assets or net assets, (14) market share, (15) pre-tax or after-tax earnings per share, (16) operating earnings per share, (17) total stockholder return, (18) growth measures, including revenue growth, as compared with a peer group or other benchmark, (19) economic value-added models or equivalent metrics, (20) comparisons with various stock market indices, (21) improvement in or attainment of expense levels or working capital levels, (22) operating margins, gross margins or cash margins, (23) year-end cash, (24) debt reductions, (25) stockholder equity, (26) regulatory achievements, (27) implementation, completion or attainment of measurable

objectives with respect to research, development, products or projects, production volume levels, acquisitions and divestitures, (28) leadership, recruiting, developing and maintaining personnel, (29) customer satisfaction, (30) operating efficiency and productivity ratios, (31) strategic business criteria, consisting of one or more objectives based on meeting specified revenue, market penetration, geographic business expansion goals (including accomplishing regulatory approval for projects), cost or cost savings targets, accomplishing critical milestones for projects, and goals relating to acquisitions or divestitures, or any combination thereof (in each case before or after such objective income and expense allocations or adjustments as the Committee may specify within the applicable period).

Award Limits. The maximum number of shares that may be awarded to a participant under the Amended Plan in any fiscal year of the Company, by form of Award, is as follows: (a) restricted stock: 30,000 shares; (b) restricted stock units: 30,000 shares; (c) shares purchasable under options (including non-statutory stock options and incentive stock options): 30,000 shares; (d) shares with respect to which stock appreciation rights may be exercised: 30,000 shares; and (e) performance units: 30,000 shares. Each of these limitations is subject to adjustment for changes in capitalization of the Company.

Federal Tax Treatment. The Amended Plan is not a qualified pension, profit-sharing or stock bonus plan under Section 401(a) of the Code. The Amended Plan is not subject to any provisions of the Employee Retirement Income Security Act of 1974. The U.S. federal income tax consequences of the Amended Plan under current federal law, which is subject to change, are summarized in the following discussion, which deals with the general tax principles applicable to the Amended Plan. This summary is not intended to be exhaustive and does not describe state, local or FICA tax consequences. The tax consequences to a participant depend on the type of award granted under the Amended Plan.

- **Options.** Stock option grants under the Amended Plan may either be granted as incentive stock options, which are governed by Section 422, as amended, or as non-qualified stock options, which are governed by Section 83 of the Internal Revenue Code, as amended. Generally, no federal income tax is payable by the participant upon the grant of an incentive stock option and no deduction is taken by us. If certain holding periods are met, the exercise of an incentive stock option does not result in taxation to the participant; rather, the participant is taxed only at the time of sale of the shares received upon exercise. If the shares have been held for at least one year after the date of exercise and at least two years from the date of grant of the option, the participant will be taxed on any appreciation in excess of the exercise price as long-term capital gains. In that event, we are not entitled to a deduction for the amount of the capital gains. Under current tax laws, if a participant exercises a non-qualified stock option, the participant will be taxed on the difference between the fair market value of the stock on the exercise date and the exercise price, and thereafter, the participant would receive capital gains on any appreciation in stock value after the exercise date, depending upon the length of time the participant held the stock after exercise. When the option is exercised, we will be entitled to a corresponding tax deduction.
- **Restricted and Performance Stock and Units.** Awards of restricted stock and restricted stock units, performance stock and performance units under the Amended Plan generally are not subject to federal income tax when awarded, unless the participant properly elects to accelerate the tax recognition. Restricted stock is generally subject to ordinary income tax at the time the restrictions lapse, and performance stock is taxed at the time the performance targets are met. Restricted stock units and performance units are generally subject to ordinary tax at the time of payment, even if vested earlier. We are entitled to a corresponding deduction at the time the participant recognizes taxable income on the restricted or performance stock or units.
- **Section 162(m) Limit on Deductibility of Compensation.** Section 162(m) of the Internal Revenue Code limits the deduction the Company can take for compensation paid to our “Covered Employees” (as defined under Code Section 162(m)) to \$1,000,000 per year per individual.
- **Code Section 409A.** Awards under the Amended Plan may constitute, or provide for, a deferral of compensation under Section 409A of the Internal Revenue Code. If the requirements of Section 409A are not complied with, then holders of such awards may be taxed earlier than would otherwise be the case (e.g., at the time of vesting instead of the time of payment) and may be subject to an additional 20% penalty tax,

and potentially, interest and penalties. The Amended Plan has been designed to issue awards that comply with, or be exempt from, Section 409A and the Department of Treasury regulations and other interpretive guidance that may be issued pursuant to Section 409A.

Forfeiture and Clawback. The Company may provide that if a participant has received or been entitled to an award within six months before the participant's termination of employment with the Company, the Committee may require the participant to return or forfeit the award in the event of certain occurrences specified in the award. The occurrences may, but need not, include termination for "cause" (as defined in the award, or if applicable, as defined in any employment agreement between the participant and the Company), competition with the Company, unauthorized disclosure of material proprietary information of the Company, a violation of applicable business ethics policies of the Company, a violation of applicable law, or any other occurrence specified in the award within the period or periods of time specified in the award. In addition, the Company reserves the right to require a participant to pay back to the Company all shares received under the Amended Plan to the extent required by law, under any applicable listing standard or under any applicable clawback policy adopted by the Company.

Change in Control. The Company may provide that an award under the Amended Plan includes a provision for full vesting or a pro rata payment if a participant's employment terminates during a performance period in connection with a change in control.

Effective Date and Duration of the Amended Plan. The Existing Plan became effective as of July 1, 2013. The Amended Plan will become effective on the date the Amended Plan is approved at the Company's 2020 annual meeting of shareholders. The Amended Plan will remain in effect until all Common Stock subject to it is distributed, all awards have expired or lapsed, or the Amended Plan is terminated pursuant to its terms or June 30, 2023; provided however, that awards made before the termination date may be exercised, vested or otherwise effectuated beyond the termination date unless limited in the agreement or otherwise. No award of an incentive stock option will be made after June 30, 2023.

Amendment and Modification of Awards under the Amended Plan. The Board may at any time and from time to time terminate, suspend or modify the Amended Plan. The Committee may at any time alter or amend any or all agreements under the Amended Plan to the extent permitted by law. No termination, suspension, or modification of the Amended Plan will materially and adversely affect any right acquired by any participant under an award granted before the date of termination, suspension, or modification, unless otherwise agreed to by the participant in the agreement or otherwise, or required as a matter of law.

Resale Restrictions. The resale of shares of Common Stock acquired upon exercise of awards granted under the Amended Plan is generally not restricted by the terms of the Amended Plan. Resales by participants who are officers or directors of the Company must comply with (i) Rule 144 under the Securities Act of 1933, as amended, and (ii) the six-month short swing profit restrictions under Section 16(b) of the Exchange Act.

Awards under the Amended Plan. No awards will be made under the Amended Plan from the proposed increase in authorized shares until after such increase has been approved by our shareholders. Because all awards under the Amended Plan are within the discretion of the Committee, neither the number nor types of future Amended Plan awards to be received by or allocated to particular participants or groups of participants is presently determinable.

Director Independence

Our Board of Directors is currently comprised of six members including one executive director. The Board has determined that the following directors, which constitute a majority of the Board of Directors, are independent directors as defined by The Nasdaq Stock Market listing standards: Mary C. Bottie, William S. Creekmuir, Matthew A. Kaness, Thomas M. Levine, Eric S. Rangen. The independent directors meet periodically in executive session as part of a Board meeting.

Board Meeting Attendance

During the fiscal year ended June 30, 2020, seven meetings of the Board were held. All of the directors of the Company attended 100% of the meetings of the Board and 100% of the committee meetings on which they served. The Company does not have a formal policy regarding attendance by Board members at the Company's annual meeting, but the Board encourages all its members to attend the annual meeting of shareholders. All the serving members of the Board of Directors attended the prior year's annual meeting.

Committees of the Board

Subject to our Bylaws, applicable law and regulatory requirements, the Board may establish additional or different committees from time to time. Our Board has established three standing committees: Audit and Ethics Committee, Compensation Committee, and Nominating and Governance Committee. The charters of all three committees are available at <https://ir.flexsteel.com/corporate-governance/governance-overview>. The principal duties of the three committees are set forth below.

Audit and Ethics Committee – Appoints and confers with the independent registered public accounting firm on various matters, including the scope and results of the audit; authorizes special reviews or audits; reviews and approves quarterly and annual SEC filings; reviews internal auditing procedures and the adequacy of internal controls; and reviews policies and practices relating to compliance with laws, conflicts of interest and ethical standards of the Company. The Committee held four meetings during the fiscal year ended June 30, 2020. The Committee members are William S. Creekmuir - Chair, Matthew A. Kaness, and Eric S. Rangen. The Board has determined that all three members of the Audit and Ethics Committee qualify as “audit committee financial experts” within the meaning of the Securities Exchange Act of 1934, as amended, referred to as the “1934 Act”.

Compensation Committee – Reviews performance, compensation and benefits of all executive officers; approves all equity compensation; develops and maintains succession planning policies and criteria for executive officers; and makes recommendations regarding Board compensation. The Committee held six meetings during the fiscal year ended June 30, 2020. The Committee members are Mary C. Bottie – Chair, Thomas M. Levine and Eric S. Rangen.

Nominating and Governance Committee – Recommends directors and reviews qualifications of director candidates; evaluates Board and individual Director performance; develops and recommends a succession plan for the Board; reviews and recommends the practices, policies and procedures of the Board; conducts new Board member orientation and ongoing education for Board members; and reviews corporate responsibility, diversity and sustainability. The Committee held five meetings during the fiscal year ended June 30, 2020. The Committee members are Mary C. Bottie – Chair, Matthew A. Kaness and William S. Creekmuir.

Board Leadership Structure

The Board elected an independent director, Mr. Levine, to serve as Chair of the Board. Our Bylaws provide that the Chair of the Board may be an independent director or the Chief Executive Officer of the Company. In making leadership determinations, the Board considers many factors including the specific needs of the business and what is in the best interest of our shareholders. The Board believes that presently it is in the best interest of the Company that the positions of Chair of the Board and Chief Executive Officer are separate. The Board believes that this separation is presently appropriate as it allows the Chief Executive Officer to focus primarily on strategy, leadership and execution of operations, while the Chair of the Board can focus on leading the Board.

Ability of Shareholders to Communicate with the Board of Directors

The Board has provided the means by which shareholders may send communications to the Board or to individual members of the Board. Such communications, whether by letter, email or telephone, should be directed to the

Secretary of the Company at P.O. Box 877, Dubuque, Iowa 52004-0877, or telephone number of (563) 556-7730. Unsolicited advertisements or invitations to conferences or promotional material, at the discretion of the Secretary, may not be forwarded to the directors.

Risk Oversight

The Board of Directors is responsible for consideration and oversight of risks facing Flexsteel. Together with the Board's standing committees, the Board is responsible for ensuring that material risks are identified and managed appropriately. The Board and its committees regularly review strategic, operational, financial, compensation and compliance risks with senior management. The Audit and Ethics Committee establishes, reviews and periodically updates the Guidelines for Business Conduct to ensure compliance with all applicable rules and regulations, and that management has established a system of enforcement. The Audit and Ethics Committee regularly evaluates financial and accounting risk exposures, the controls management has implemented, and reviews our insurance programs. The Compensation Committee considers risks in the design of compensation programs for our executive officers. The Nominating and Governance Committee is responsible for identification, monitoring, and disclosure of enterprise risks.

Code of Ethics

The Company has a written code of ethics titled *Guidelines for Business Conduct*. The code of ethics applies to the Company's directors and employees. The code of ethics includes guidelines relating to the ethical handling of actual or potential conflicts of interest, compliance with laws, accurate financial reporting, and procedures for promoting compliance with, and reporting violations of, the code of ethics. The *Guidelines for Business Conduct* is available on the Company's website at <https://ir.flexsteel.com/corporate-governance/governance-overview>. The Company intends to post any amendments to its code of ethics at this location on its website.

Related Party Transaction Policy

The Audit and Ethics Committee of the Board of Directors has adopted a written policy regarding transactions with related parties. In accordance with the policy, the Audit and Ethics Committee is responsible for the review and approval of all transactions with related persons that are required to be disclosed under the rules of the Securities and Exchange Commission. Under the policy, a "related person" includes any of the Flexsteel directors or executive officers, certain shareholders and any of their respective immediate family members. The policy applies to transactions in which Flexsteel is a participant, the amount involved exceeds \$120,000 and a related person has a direct or indirect material interest. Under the policy, all material information related to any covered transaction is to be disclosed to the Audit and Ethics Committee. The Audit and Ethics Committee may use any process and review any information that it determines is reasonable under the circumstances in order to determine whether the covered transaction is fair and reasonable, on terms no less favorable to Flexsteel than could be obtained in a comparable arms-length transaction with an unrelated third party and in the best interests of Flexsteel. There were no reportable transactions during the fiscal year ended June 30, 2020.

Stock Option, Restricted Stock Unit, and Restricted Share Granting Policy

The Compensation Committee has formalized its stock option, unit and share granting practices by adopting a policy for the grant of stock options, restricted units and restricted shares. The policy reflects the Compensation Committee's long-standing approach to grants described in the Executive Compensation section under the Omnibus Stock Plan. In addition, the policy provides, among other things, that all grants must be approved by the Compensation Committee or its designee; the grants may not be awarded to a current director, officer or employee during any quarterly or other blackout period as defined in our insider trading policy; and the exercise price for any stock options granted will be equal to the last sale price per share of our common stock as reported on The Nasdaq Stock Market on the grant date. The policy also specifies procedures for granting stock options, restricted units or restricted shares to newly hired executive officers; and that any program, plan or practice to time or to select the grant dates of stock options, restricted units or restricted shares in coordination with the release by us of material non-public information is prohibited.

Stock Ownership Guidelines

The Board adopted Stock Ownership Guidelines for its Section 16 executive officers, nonemployee directors of the Board, officers of the Company, and all other employees that receive stock-based compensation. These individuals are expected to accumulate Flexsteel shares of common stock valued in the following amounts:

- Directors: Three times annual director cash compensation
- Chief Executive Officer: Four times annual salary
- Executive Officers: Two times annual salary
- Officers: Base salary
- Key Associates: One-half of base salary

Ownership includes direct ownership, joint ownership by participant or their spouse, and indirect ownership through a trust, partnership, limited liability company or other entity for the benefit of the participant or spouse. In addition, ownership includes restricted stock awards and intrinsic value of unexercised stock options acquired under Flexsteel's equity plans.

Policy on Securities Trading - Hedging and Pledging

As part of its *Policy Statement on Securities Trading and Communications with Outsiders* (Regulation FD), Flexsteel prohibits directors and officers from using any strategies or products (including "put" or "call" options or "selling short" techniques) to hedge against potential changes in the value of Flexsteel common stock. In addition, directors and officers may not pledge Flexsteel common stock as collateral.

Nominating Matters

The Nominating and Governance Committee of the Board of Directors is responsible for making recommendations to the Board concerning nominees for election as directors and nominees for Board vacancies. When assessing a director candidate's qualifications, the Nominating and Governance Committee considers current and future strategic needs of the Company and the candidate's expertise in finance, general management, human resources, legal, traditional and digital marketing, e-commerce, sales, operations, manufacturing, supply-chain, company culture, and their independence, high ethical standards, and uncompromising integrity. In addition, the Nominating and Governance Committee looks at the overall composition of the Board and how a candidate would contribute to the overall synergy and collaborative process of the Board. The Nominating and Governance Committee has not established specific minimum eligibility requirements for candidates other than high ethical standards, uncompromising integrity, commitment to act in the best interests of the shareholders, requirements relating to age and ensuring that a majority of the Board remains independent.

In addition to the considerations described above, our Nominating and Governance Committee considers diversity in its evaluation of candidates for Board membership. Although the Company has no formal diversity policy, the Board believes that diversity with respect to factors such as background, experience, skills, race, gender and national origin is an important consideration in Board composition. The Nominating and Governance Committee discusses diversity considerations in connection with each candidate as well as on a periodic basis in connection with the composition of the Board as a whole.

If the Nominating and Governance Committee approves a candidate for further review following an initial screening, the Nominating and Governance Committee will establish an interview process for the candidate. Generally, the candidate will meet with the members of the Nominating and Governance Committee, along with the Chief Executive Officer. Contemporaneously with the interview process, the Nominating and Governance Committee will conduct a comprehensive conflicts-of-interest assessment of the candidate. The Nominating and Governance Committee will also take into consideration the candidate's personal attributes, including integrity, loyalty to and concern for the success and welfare of the Company and its shareholders, willingness to apply sound and independent business judgment, awareness of a director's role in good corporate citizenship and image, time available for meetings and Company matters, and willingness to assume fiduciary responsibilities. The Nominating and Governance Committee will conduct a background check and consider all available information in determining whether to recommend the candidate to the full Board.

Recommendations for candidates to be considered for election to the Board at our annual shareholder meetings may be submitted to the Nominating and Governance Committee by our shareholders. Candidates recommended by our

shareholders will be considered under the same standards as candidates that are identified by the Nominating and Governance Committee. Any nominations for director to be made at an annual meeting of shareholders must be made in accordance with the requirements described in the section of this Proxy Statement entitled Proposals by Shareholders. To enable the committee to evaluate the candidate's qualifications, shareholder recommendations must include the following information:

- The name, age, business address and, if known, residence address of each nominee proposed in such notice;
- The principal occupation or employment of each such nominee; and
- The number of shares of stock of the Company, which are beneficially owned by each such nominee.

Delinquent Section 16(a) Reports

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and certain officers and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Based on its review of the copies of such reports filed with the SEC, the Company believes that during fiscal year 2020, all filing requirements applicable to our directors, certain officers, and owners of more than 10% of the Company's common stock have been met, except one Form 4 was filed late for each of Derek P. Schmidt, Timothy P. Newlin, and David E. Crimmins; and one Form 3 was filed late for each of Derek P. Schmidt and Matthew A. Kaness.

Audit and Ethics Committee Report

The Audit and Ethics Committee has reviewed and discussed the audited financial statements with management. The Audit and Ethics Committee has discussed with Deloitte & Touche LLP, the Company's independent registered public accounting firm, the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board. The Audit and Ethics Committee has received the written disclosures and the letter from Deloitte & Touche LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding Deloitte & Touche LLP's communications with the Audit and Ethics Committee concerning independence and has discussed with Deloitte & Touche LLP the firm's independence. Based on the review and discussions referred to above in this report, the Audit and Ethics Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year for filing with the SEC.

This report has been prepared by members of the Audit and Ethics Committee. Members of this Committee are:

Jerald K. Dittmer Employment Agreement

Effective December 28, 2018, the Company named Jerald K. Dittmer, President and Chief Executive Officer. In connection with Mr. Dittmer's appointment, the Company entered into an employment agreement (the "**Employment Agreement**") with him, dated December 17, 2018, as amended August 30, 2019, that provides for an annual salary of \$700,000 and benefits commensurate with other executive officers of the Company. He was paid a signing bonus in the form of an option to purchase 85,000 shares of common stock.

The Employment Agreement entitled Mr. Dittmer to a guaranteed Cash Incentive ("**Bonus**") for fiscal year 2019 to be calculated by multiplying 115% target by his annual salary of \$700,000 and pro-rating by 50% for time served during fiscal 2019 as the Company's President and Chief Executive officer for an amount equal to \$402,500. Pursuant to the First Amendment to the Employment Agreement, Mr. Dittmer and the Compensation Committee agreed that in lieu of the Bonus, Mr. Dittmer will receive a combination of a Non-Statutory Stock Option ("**NSO**") and a restricted stock award in an amount that approximates, but is not greater than, the amount of the Bonus. Therefore, in lieu of the amounts Mr. Dittmer is entitled to under section 3(c) of the Agreement for fiscal year 2019, the Compensation Committee has granted and Mr. Dittmer has accepted a NSO to purchase 30,000 shares of common stock with an exercise price of \$15.14 per share vesting immediately upon the grant date of August 30, 2019, and expiring on the tenth anniversary of said grant date. In addition, with a grant date of August 30, 2019, the Compensation Committee granted Mr. Dittmer a Restricted Stock Award ("**RSA**") in the amount of 22,165 shares of common stock. The RSA was fully vested on September 11, 2019. The NSO and RSA are granted pursuant to the Omnibus Stock Plan and are subject to the standard Notification of Awards thereunder.

Mr. Dittmer participates in the Company's long-term incentive plan, which is established annually by the Compensation Committee of the Board, beginning with the July 1, 2019 through June 30, 2022 performance period, with his participation set at 125% of his base salary at the target award level. In lieu of an award under the Company's Long-Term Incentive Plan for performance periods beginning before July 1, 2018, Mr. Dittmer was granted a special hiring award of \$750,000 in the form of 30,000 restricted stock units and 3,186 shares of restricted stock.

Mr. Dittmer was paid \$150,000, plus a gross up to cover federal and state income taxes and Medicare taxes, for all expenses related to relocating to Dubuque, Iowa. If Mr. Dittmer terminates his employment prior to December 28, 2020, the \$150,000 relocation expense payment, prorated for length of service, will be immediately reimbursed to the Company.

Mr. Dittmer participates in the Company's Severance Plan for Management Employees, which provides for the post-termination benefits described under "Executive Compensation Termination or Change-In-Control" below. In addition, Mr. Dittmer entered into a Confidentiality and Non-Competition Agreement whereby he agreed not to compete with the Company during employment and for 12 months after termination.

Derek P. Schmidt Letter Agreement

In connection with Derek P. Schmidt's appointment to the positions of Chief Operating Officer and Chief Financial Officer, the Company entered into a letter agreement with Mr. Schmidt, dated March 10, 2020, to become effective April 6, 2020 (the "**Letter Agreement**"). Pursuant to the Letter Agreement, Mr. Schmidt will serve as the Company's Chief Operating Officer and Chief Financial Officer and will receive an annual base salary of \$420,000. In addition to his base compensation, Mr. Schmidt will be entitled to additional compensation as described below.

1. Mr. Schmidt received a sign-on bonus of \$50,000.
2. Mr. Schmidt is eligible to participate in the Company's Cash Incentive Plan with his initial participation set at 75% of his base salary at target performance with a maximum funding of 200% of target performance. Mr. Schmidt's participation for fiscal year 2020 will be prorated for days employed and the prorated amount of the award will be guaranteed at the target level and subject to increase if the target level is exceeded.
3. Mr. Schmidt is eligible to participate in the Company's Long-Term Incentive Plan beginning with the July 1, 2019 through June 30, 2022 performance period, prorated for days employed, with his participation set at 65% of his base salary and paid in shares.

4. Pursuant to the Company's Omnibus Stock Plan, Mr. Schmidt was awarded a number of Restricted Stock Units ("RSUs") equal to \$334,000 based upon the average of the previous 10 trading days closing stock price to the grant date (his first date of employment). One half of the awarded RSU's vested on July 1, 2020, and the second half will vest on January 1, 2021.
5. Pursuant to the Company's Omnibus Stock Plan, Mr. Schmidt was awarded an option with a value of \$122,000 with the number of option shares based on the black scholes calculation method. The option will be subject to a 3-year vesting schedule.

Mr. Schmidt will be reimbursed reasonable and customary closing and realtor costs for the sale of his prior home. In addition, the Company will reimburse Mr. Schmidt a monthly amount equal to the lesser of his two mortgages for the shorter of the following: until his prior home sells or for up to six months after his start date. If Mr. Schmidt terminates his employment prior to April 6, 2022, all relocation benefits/expenses (prorated for length of service within the 2 years) will be immediately reimbursed to the Company.

Mr. Schmidt participates in the Company's Severance Plan for Management Employees which provides for the post-termination benefits described under "Executive Compensation- Termination or Change-In-Control" below. In addition, Mr. Schmidt entered into a Confidentiality and Non-Competition Agreement whereby he agreed not to compete with the Company during employment and for 12 months after termination.

Components of Executive Compensation

The principal components of our executive officer compensation program include base salary, annual cash incentive compensation and long-term incentives using our common stock and benefit programs.

Base Salary. An individual executive officer's base salary is based upon the executive officer's level of responsibility, cumulative knowledge and experience, past individual performance, contributions to past corporate performance, and competitive rates of pay. The Compensation Committee reviews each executive officer's salary annually and makes adjustments, as appropriate, based on the Chief Executive Officer's recommendation, including any change in the executive officer's responsibilities, the executive officer's past performance and changes in competitive salary levels provided by the compensation consultants retained by the Compensation Committee.

Cash Incentive Compensation. The purpose of our Cash Incentive Compensation Plan (the "CIP") is to align incentive compensation with performance measures that drive the Company's market value. The CIP is also designed to promote the accomplishment of corporate objectives as reflected in the Company's annual operating plan and objectives established by management, and to recognize achievement through the payment of incentive compensation. After the completion of the year, the Compensation Committee ratifies cash incentives based principally on the extent to which objectives have been achieved. If threshold performance levels are not met, no award is made. The incentive award levels are expressed as a percentage of the executive officer's base salary ranging from 35% to 115% based on the individual's responsibility level and total compensation. The payouts of the individual objectives of the CIP range from threshold of 40% to a maximum of 200% of the target award. When the threshold performance is achieved, the payout percentage increases proportionately to the improvement in performance as measured against the objective. The objectives for fiscal year 2020 were the same for all the named executive officers: 60% adjusted EBIT and 40% net sales.

The performance objectives under the cash incentive compensation plan for fiscal 2020 were as follows:

- Target: adjusted EBIT \$13.5 million, net sales: \$414.7 million.
- Threshold: adjusted EBIT: \$9.0 million net sales: \$375.0 million.
- Maximum: adjusted EBIT: \$18.0 million, net sales: \$475.0 million.

For fiscal year 2020, the Company did not achieve its two performance objectives.

As reflected in the column titled "Non-Equity Incentive Plan Compensation" of the Summary Compensation Table, because none of the corporate performance objectives for fiscal 2020 were met, no cash incentive compensation was made to named executive officers for fiscal 2020.

Long-Term Incentives. The purpose of the Long-Term Incentive Compensation Plan (the "LTIP") and the Omnibus Stock Plan is to promote the interests of the Company and its shareholders by providing key personnel of the Company with an opportunity to acquire a proprietary interest in the Company and reward them for achieving a high

level of corporate performance, and thereby develop a stronger incentive to put forth maximum effort for the continued success and growth of the Company. In addition, the opportunity to acquire a proprietary interest in the Company will aid in attracting and retaining key personnel of outstanding ability. The level of award opportunities, as combined under both plans, are intended to be consistent with comparable companies and reflect an individual's level of responsibility and performance.

Long-Term Incentive Compensation Plan. Under the LTIP, it is generally intended that the established performance objectives will be measured over a three-year period. The Compensation Committee will also establish the weighting of each corporate performance objective for purposes of the performance calculations in advance of each performance period. The Compensation Committee selected fully diluted earnings per share and total shareholder return ("TSR") performance objectives for the three-year performance period beginning on July 1, 2017 and ending on June 30, 2020, for Mr. Hamilton and fully diluted earnings per share for Mr. Newlin. The performance objectives were selected and applied, at that time, as the best measurement of the Company's and each individual's long-term performance. The specific performance targets are expressed in an aggregate amount for the three-year period. The Compensation Committee endeavors to set the targets at levels that challenge our executive officers to improve operating results and enhance shareholder value.

At the start of each three-year performance period, the Compensation Committee establishes a target number of shares of our common stock that each executive officer can earn subject to our achievement over the three-year performance period of threshold, target and maximum levels of each corporate performance objective. Threshold and maximum levels will be expressed as a multiple of the target level. For the performance period that began July 1, 2017, the target number of shares for which each executive officer is eligible is based on a percentage of the executive officer's base salary at the beginning of the performance period and was as follows (i) Mr. Hamilton, 50% and prorated for time of employment during the performance period, (ii) Mr. Newlin, 15%. Messrs. Dittmer and Schmidt were not participants in the performance period. The payouts of the individual objectives of the LTIP range from threshold of 40% to a maximum of 200% of the target award. When the threshold level is achieved, the payout percentage increases proportionally to the improvement in performance as measured against the objective. The beginning of each fiscal year triggers the start of another three-year performance period. This plan structure results in three active performance periods being in place at any given time. The weighting of the performance objectives for the three-year performance period ending on June 30, 2020 for Mr. Hamilton was: 85% for the fully diluted earnings per share and 15% for TSR, and for Mr. Newlin, 100% fully diluted earnings per share.

For the three-year performance period ending June 30, 2020, the performance goals under the LTIP reflecting three-year totals were as follows:

- Target: fully diluted earnings per share: \$8.60, TSR: 50%;
- Threshold: fully diluted earnings per share: \$9.45, TSR: 30%;
- Maximum: fully diluted earnings per share: \$10.30, TSR: 90%.

During this period, the Company achieved 0% of the target fully diluted earnings per share and 0% of target TSR objectives.

For awards under the LTIP for the three-year period ended June 30, 2022, participants may earn one-third of the award in each of the three years based on meeting performance objectives for that year. The cumulative award payout for all three years is made after the end of the third year. The performance objectives for the second and third years were to be based on a set growth rate of the performance objectives over the previous year's financial results. Because of the adverse impact of the COVID-19 pandemic and continued global trade tensions on the Company's financial results for the period ending June 30, 2020, the calculation of the performance objectives for the second year using the established growth rates in the plan would have resulted in financial goals that are not aligned to long-term shareholder value creation. As a result, performance objectives for the second year of the three-year award period ending June 30, 2022, were modified.

Omnibus Stock Plan. During fiscal 2020, the Company granted stock options, restricted stock units and restricted stock to executive officers under the Omnibus Stock Plan. In response to industry practices and competitive forces, the Compensation Committee has determined to emphasize stock awards over options awards. The Compensation

Committee also believes that stock awards are a more effective way to provide named executive officers with a proprietary interest in the Company and assist the named executive officers to meet the stock ownership guidelines established by the Board. See “Corporate Governance – Stock Ownership Guidelines.” Generally, stock awards annually vest over a three-year period.

Stock options awarded under the shareholder approved plan give executive officers the opportunity to purchase our common stock for a term not to exceed ten years and at a price of no less than the closing sale price of our common stock on the date of grant. Executive officers’ benefit from stock options only to the extent stock price appreciates after the grant of the option. The Compensation Committee recognizes that each executive officer, rather than the Compensation Committee, decides whether or not to exercise an option at any given time. For this reason, the Compensation Committee’s decision to grant a stock option to an executive officer does not take into account any gains realized by the executive officer due to a decision to exercise a pre-existing option in any given year. The Compensation Committee has not repriced stock options or replaced stock options that are underwater in the past and does not intend to engage in either practice in the future.

Stock options, restricted stock units and restricted stock are granted at the Compensation Committee’s regularly scheduled meetings, based on recommendations from the Chief Executive Officer, the participant’s level of responsibility and total compensation. Most Compensation Committee meetings are scheduled a year in advance. Scheduling decisions for Compensation Committee meetings are made without regard to anticipated earnings or other major announcements by us. The Compensation Committee will consider granting various types of equity to newly hired executive officers on a case-by-case basis.

Other Compensation and Benefits. We may provide the following perquisites to our executive officers:

- country club dues;
- tax planning services;
- supplemental health insurance; and
- furniture program.

These perquisites are provided to retain executive officers for key positions, to assist in their business development efforts and to remain competitive in the marketplace. The value of the perquisites provided to our named executive officers is set forth in the column titled “All Other Compensation” of the Summary Compensation Table.

Other Policies. The Company’s CIP, Omnibus Stock Plan and LTIP provide for the right to require a participant to pay back any amount received under the plan to the extent provided by law or any “clawback” policy adopted by the Company. The award agreements under the CIP, Omnibus Stock Plan and LTIP provide for the forfeiture of awards received up to six months prior to termination in the event the participant competes with the Company within two years of termination or improperly uses Company confidential information.

Tax Implications. Section 162(m) of the Internal Revenue Code of 1986, as amended, places a limit of \$1 million on the amount of compensation that we may deduct as a business expense in any year with respect to certain of our most highly paid executive officers. Historically, there has been an exemption from this \$1 million deduction limit for compensation payments that qualified as “performance-based” under applicable Internal Revenue Service (IRS) regulations. To qualify as “performance-based,” compensation payments must be, among other things, based solely upon the achievement of objective performance goals and made under a plan that is administered by the Compensation Committee. Generally, in the past we have designed our executive officer compensation program to permit the Compensation Committee to award compensation intended to be eligible for deductibility to the extent permitted by Section 162(m) and the relevant IRS regulations. With the enactment of the 2017 Tax Cuts and Jobs Act, however, the performance-based compensation exemption has been eliminated, except with respect to certain grandfathered arrangements. While the Compensation Committee considers the deductibility of compensation as one factor in determining executive officer compensation, the Compensation Committee believes that it is in the best interests of our shareholders to maintain flexibility in our approach to executive compensation in order to structure a program that we consider to be the most effective in attracting, motivating and retaining key executive officers.

- (c) Three-year performance period ends June 30, 2020

Termination or Change in Control

Severance Plan for Management Employees. The Severance Plan for Management Employees (the "Severance Plan") provides for the payment of severance to eligible employees in the event of an involuntary termination of an

eligible employee's employment initiated by the Company (a "**Qualifying Termination**"). An eligible employee is an employee of the Company or its affiliates who is either (i) an executive reporting directly to the Chief Executive Officer of the Company on other than an interim or temporary basis, or (ii) an individual designated as an eligible employee by the plan administrator or its delegate, within its sole discretion (an "**Eligible Employee**"). A Qualifying Termination does not include (i) termination for cause, (ii) an Eligible Employee's voluntary resignation or retirement from the Company, (iii) an Eligible Employee's termination as a result of the Eligible Employee's death or disability, or (iv) an Eligible Employee's failure to return to work within the time required following an approved leave of absence.

Subject to the terms and conditions of the Severance Plan, an Eligible Employee will receive severance payments of:

- the Eligible Employee's base salary continuation for 12 months;
- a lump sum payment equal to the COBRA premiums necessary to continue the Eligible Employee's and his or dependents' health insurance coverage in effect on the Eligible Employee's termination date for a period of 12 months, without regard to whether the Eligible Employee or his/her dependents elect continuation coverage under COBRA; and
- a lump sum payment equal to the amount of cash compensation that would be payable to the Eligible Employee under the CIP for the fiscal year during which the termination date occurs if the Eligible Employee's employment had continued through the end of such fiscal year, computed assuming that the "target" level of performance had been achieved, without regard to any discretionary adjustments that would have the effect of reducing the amount of the annual incentive bonus (other than discretionary adjustments applicable to all similarly-situated employees who did not terminate employment).

The plan administrator may remove an individual as an Eligible Employee prior to a Qualifying Termination. An Eligible Employee may not be removed as an Eligible Employee from participation in the Severance Plan on or after a Qualifying Termination.

The Company is entitled to clawback all Severance Payments made to an Eligible Employee under the Severance Plan in the event the Eligible Employee breaches any provision of any non-competition, non-solicitation, non-disparagement, confidentiality, or assignment of inventions covenants contained in any agreement between the Eligible Employee and the Company.

To receive any severance payments, an Eligible Employee must execute and deliver a severance agreement which provides for a release of claims against the company, a confidentiality provision and a 12-month non-competition and non-hire clause.

The benefits under the Severance Plan replace and supersede all prior existing severance payments applicable to Eligible Employees, whether formal or informal, written or oral.

Cash Incentive Compensation Plan and Long-Term Incentive Compensation Plan. Under the terms of the Company's CIP and LTIP and applicable award agreements, named executive officers are entitled to receive payments as a result of a termination due to death or disability, on or after reaching age 62, or due to an involuntary termination for other than cause in the event of a change in control. The amount to be paid to a participant in such events is based on the pro rata number of days worked during the performance period. The awards will be paid in a lump sum after the end of the performance period, except under certain circumstances as determined by the Compensation Committee. The award agreements for both the CIP and the LTIP provide for the forfeiture of payments received up to six months prior to termination in the event the participant competes with the Company within two years of termination or improperly uses Company confidential information.

Omnibus Stock Plan. Under the terms of the Omnibus Stock Plan and applicable award agreements, the unvested restricted stock units, restricted stock and options held by a named executive officer will vest in full upon the death or disability of such person or upon a change in control.

Retention Bonus Agreement. In fiscal 2019, the Company entered into Retention Bonus Agreements with Messrs. Hamilton and Newlin that provide that they will receive a lump sum payment equal to 30% of their highest base salary through December 31, 2019, if employment with the Company continued through December 31, 2019 or employment is involuntarily terminated before December 31, 2019 by the Company without Cause as that term is defined in the Company's Non-equity Incentive Plan.

Each Award shall be subject to a Notification of Award authorized by the Committee (or its delegate). A majority of the members of the Committee shall constitute a quorum for any meeting of the Committee, and acts of a majority of the members present at any meeting at which a quorum is present or the acts unanimously approved in writing by all members of the Committee shall be

- (c) It is the intent that the Plan and all Awards granted pursuant to it shall be administered so as to permit the Plan and Awards to comply with Exchange Act Rule 16b-3, except in such instances as the Committee, in its discretion, may so provide. If any provision of the Plan or of any Award would otherwise frustrate or conflict with the intent expressed in this Section 3.1(c), that provision to the extent possible shall be interpreted and deemed amended in the manner determined by the Committee so as to avoid the conflict. To the extent of any remaining irreconcilable conflict with this intent, the provision shall be deemed void as applicable to Insiders to the extent permitted by law and in the manner deemed advisable by the Committee.

Each person who is or shall have been a member of the Committee, or of the Board, and any other person to whom the Committee delegates authority under the Plan, shall be indemnified and held harmless by the Company, to the extent permitted by law, against and from any loss, cost, liability or expense that may be imposed upon or reasonably incurred by such person in connection with or resulting from any claim, action, suit or proceeding to which such person may be a party or in which such person may be involved by reason of any action taken or failure to act, made in good faith, under the Plan and against and from any and all amounts paid by such person in settlement thereof, with the Company's approval, or paid by such person in satisfaction of any judgment in any such action, suit or proceeding against such person, provided such person shall give the Company an opportunity, at the Company's expense, to handle and defend the same before such person undertakes to handle and defend it on such person's own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such person or persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

IV. SHARES AVAILABLE UNDER THE PLAN; OTHER PLAN MAXIMUMS

- 4.1 The number of Shares available for distribution under the Plan shall not exceed 950,000 (subject to adjustment pursuant to Plan Section 16).

- 4.3 Any unexercised or undistributed portion of any terminated, expired, exchanged, or forfeited Award shall be available for further Awards.
- 4.4 If the purchase price of any Shares with respect to an Option is satisfied by delivering Shares to the Company (by either actual delivery or attestation), only the number of Shares delivered to the Participant, net of the Shares delivered to the Company or attested to, shall be deemed delivered for purposes of determining the number of Shares available for further Awards.

- 4.5 For the purposes of computing the total number of Shares granted under the Plan, the following rules shall apply to Awards where appropriate:
- (a) Each Option shall be deemed to be the equivalent of the maximum number of Shares that may be issued upon exercise of the particular Option;
 - (b) An Award (other than an Option) payable in some other security shall be deemed to be equal to the number of Shares to which it relates;
 - (c) Where the number of Shares available under the Award is variable on the date it is granted, the number of Shares shall be deemed to be the maximum number of Shares that could be received under that particular Award; and
 - (d) Where two or more types of Awards (all of which are payable in Shares) are granted to a Participant in tandem with each other, such that the exercise of one type of Award with respect to a number of Shares cancels at least an equal number of Shares of the other, each such joint Award shall be deemed to be the equivalent of the maximum number of Shares available under the largest single Award.
 - (e) Shares withheld by the Company to exercise Options or to satisfy the tax withholding obligations related to any Award under the Plan shall be counted against the number of Shares available for Awards under the Plan.
- Additional rules for determining the number of Shares granted under the Plan may be made by the Committee as it deems necessary or desirable.
- 4.6 No fractional Shares may be issued under the Plan. Any fractional Shares shall be rounded down to the nearest whole number of Shares.

- (a) Restricted Stock: 30,000 Shares;

V. ELIGIBILITY TO PARTICIPATE

Participation in the Plan shall be limited to Employees and members of the Company's Board. The granting of Awards is solely at the discretion of the Committee (or its delegate), except that Incentive Stock Options may only be granted to Employees. References herein to "employed," "employment" or similar terms (except "Employee") shall include providing services as a member of the Company's Board.

VI. GENERAL TERMS OF THE AWARDS

- 6.1 Amount and Conditions of Award. Prior to the beginning of a fiscal year of the Company, or as soon thereafter as administratively reasonable, the Board shall determine the maximum number of Shares available for all Awards under the Plan for the fiscal year. Each Notification of Award shall set forth the Participant's number of Shares of Restricted Stock, Restricted Stock Units, and Performance Units subject to the Notification of Award, or the number of Shares to which the Option subject to the Notification of Award applies or with respect to which payment upon the exercise of the Stock Appreciation Right subject to the Notification of Award is to be determined, as the case may be, together with such other terms and conditions applicable to the Award as determined by the Committee acting in its sole discretion, which may include conditions on Options or Stock Appreciation Rights becoming exercisable.

- 6.2 Term. Each Notification of Award shall set forth the Term of the Option, Stock Appreciation Right, Restricted Stock, Restricted Stock Unit, or the Performance Period for the Performance Units, as the case may be. Acceleration of the expiration of the applicable Term is permitted upon such terms and conditions as shall be set forth in the Notification of Award, which may, but need not, include, without limitation, acceleration in the event of the Participant's death, Disability or reaching his or her Retirement Date.
- 6.3 Transferability. During the lifetime of a Participant to whom an Award is granted, only that Participant (or that Participant's legal representative) may exercise an Option or Stock Appreciation Right, or receive payment with respect to Performance Units or any other Award. No Award of Restricted Stock (before the expiration of the restrictions), Restricted Stock Units, Options, Stock Appreciation Rights or Performance Units may be sold, assigned, transferred, exchanged or otherwise encumbered other than to a beneficiary in the event of a Participant's death. Any attempted transfer in violation of this Section 6.3 shall be void and of no effect.
- 6.4 Rights as Shareholder. Each Notification of Award shall provide that a Participant shall have no rights as a shareholder with respect to any securities covered by an Award unless and until the date the Participant becomes the holder of record of the Stock, if any, to which the Award relates.

VII. RESTRICTED STOCK AWARDS

- 7.1 Nature of Award. An Award of Restricted Stock under the Plan shall consist of Shares subject to restrictions on transfer and conditions of forfeiture, which restrictions and conditions shall be included in the applicable Notification of Award. The Committee (or its delegate) may provide for the lapse or waiver of any such restriction or condition based on such factors or criteria as the Committee (or its delegate), in its sole discretion, may determine.
- 7.2 Restrictions on Stock Certificate. Except as otherwise provided in the applicable Notification of Award, each Stock certificate issued with respect to an Award of Restricted Stock shall either be deposited with the Company or its designee, together with an assignment separate from the certificate, in blank, signed by the Participant, or bear such legends with respect to the restricted nature of the Restricted Stock evidenced thereby as shall be provided for in the applicable Notification of Award.
- 7.3 Terms and Conditions of Award. The Notification of Award shall describe the terms and conditions by which the restrictions and conditions of forfeiture upon awarded Restricted Stock shall lapse. Upon the lapse of the restrictions and conditions, Shares free of restrictive legends, if any, relating to such restrictions shall be issued to the Participant or a beneficiary.
- 7.4 Rights of a Shareholder. Unless otherwise provided in the Notification of Award, a Participant with a Restricted Stock Award shall have all the rights of a shareholder including, but not limited to, the right to receive dividends and the right to vote the Shares of Restricted Stock.
- 7.5 Separation from Service. In general, a Participant must satisfy all of the terms and conditions of a Restricted Stock Award in order for the restrictions on the Shares subject to the Award to lapse. If a Participant Separates from Service before satisfaction of these terms and conditions, the Participant will immediately forfeit the Award. However, unless otherwise provided in the Notification of Award, if a Participant has a Separation from Service during the Term of a Restricted Stock Award because of the Participant's death or Disability all restrictions shall lapse with respect to a number of Shares of Restricted Stock under the Award that has been prorated for the portion of the Term of the Award prior to the Participant's Separation from Service. The Notification of Award may provide for other circumstances, including, but without limitation, Separation from Service on or after reaching the Participant's Retirement Date, or change in control (as defined in the Notification of Award) of the Company, under which the Participant may receive a prorated Award. Any Shares of Restricted Stock as to which restrictions do not lapse under the preceding sentences or under the Notification of Award shall terminate at the date of the Participant's Separation from Service and such Shares of Restricted Stock shall be forfeited to the Company.

VIII. RESTRICTED STOCK UNIT AWARDS

- 8.1 Nature of Award. An Award of Restricted Stock Units shall consist of the right to receive Shares in the future provided that certain restrictions or conditions are satisfied. The Committee may provide for the lapse or waiver of any such restriction or condition based on such factors or criteria as the Committee, in its sole discretion, may determine.
- 8.2 Terms and Conditions of Award. The Notification of Award shall describe the terms and conditions required to be satisfied in order for the Participant to be entitled to payment of the Shares subject to the Award.
- 8.3 No Rights of a Shareholder. Shares shall not be issued to the Participant until and unless the restrictions and conditions described in Section 8.2 are satisfied, or at such later date as may be provided in the Notification of Award or other document.
- 8.4 Separation from Service. In general, a Participant must satisfy all of the terms and conditions of a Restricted Stock Unit Award in order to be entitled to receive the Shares subject to the Award. If a Participant Separates from Service before satisfaction of these terms and conditions, the Participant will immediately forfeit the Award. However, unless otherwise provided in the Notification of Award, if a Participant has a Separation from Service during the Term of a Restricted Stock Unit Award because of the Participant's death or Disability all restrictions shall lapse with respect to a number of Shares under the Award that has been prorated for the portion of the Term of the Award prior to the Participant's Separation from Service. The Notification of Award may provide for other circumstances, including Separation from Service on or after reaching the Participant's Retirement Date, under which the Participant may receive a prorated Award. Any Restricted Stock Units as to which restrictions do not lapse under the preceding sentences or under the Notification of Award shall terminate at the date of the Participant's Separation from Service and such Shares of Restricted Stock shall be forfeited to the Company.

IX. STOCK OPTIONS

- 9.1 Terms of All Options
- (a) An Option shall be granted pursuant to a Notification of Award as either an Incentive Stock Option or a Non-Statutory Stock Option. The purchase price of each Share subject to an Option shall be determined by the Committee and set forth in the Notification of Award, but shall not be less than 100% of the Fair Market Value of a Share as of the date the Option is granted (except as provided in Plan Sections 9.2 and 19).
- (b) The purchase price of the Shares with respect to which an Option is exercised shall be payable in full at the time of exercise, provided that to the extent permitted by law, the Notification of Award may permit some or all Participants to simultaneously exercise Options and sell the Shares thereby acquired pursuant to a brokerage or similar relationship and use the proceeds from the sale as payment of the purchase price of the Shares, or exercise the Option in a "net exercise," by which the number of Shares distributed to the Participant is reduced by the aggregate purchase price of the Shares being exercised divided by the then Fair Market Value of a Share. The purchase price may also be payable in cash or by delivery or tender of Shares (by actual delivery or attestation) having a Fair Market Value as of the date the Option is exercised equal to the purchase price of the Shares being purchased pursuant to the Option, or a combination thereof, as determined by the Committee, but no fractional Shares will be issued or accepted. Notwithstanding anything in this Section 9.1(b) to the contrary, a Participant exercising an Option shall not be permitted to pay any portion of the purchase price with Shares if, in the opinion of the Committee, payment in such manner could have adverse financial accounting consequences for the Company.

- (c) Each Option shall be exercisable in whole or in part on the terms provided in the Notification of Award. In no event shall any Option be exercisable at any time after the expiration of its Term. When an Option is no longer exercisable, it shall be deemed to have lapsed or terminated.
 - (d) Upon receipt of notice of exercise and payment of the purchase price of the Shares subject to the Option, the Company shall deliver the Shares to the Participant.
 - (e) In no event shall an Option be exercisable after the expiration of its Term.
- 9.2 Separation from Service. Unless otherwise provided in the Notification of Award:
- (a) If a Participant has a Separation from Service because of the Participant's death, then any Option that has not expired or been terminated shall become exercisable in full and may be exercised by the Participant's beneficiary at any time, or from time to time, within one year after the date of the Participant's death.
 - (b) If a Participant has a Separation from Service due to Disability, then any Option that has not expired or been terminated shall become exercisable in full, and the Participant or the Participant's beneficiary may exercise such Option at any time, or from time to time, within one year after the Participant's Separation from Service.
 - (c) If a Participant has a Separation from Service on or after the Participant's Retirement Date, then any Non-Statutory Stock Option that has not expired or been terminated shall remain exercisable for three years after the Participant's Separation from Service, but, unless otherwise provided in the Notification of Award, only to the extent that such Non-Statutory Stock Option was exercisable immediately prior to such Participant's Separation from Service; provided, however, that if the Participant is a Non-Employee Director, the Non-Statutory Stock Option shall remain exercisable until the expiration of the Term after such Non-Employee Director ceases to be a member of the Board, but, unless otherwise provided in the Notification of Award, only to the extent that such Non-Statutory Stock Option was exercisable immediately prior to such Non-Employee Director ceasing to be a member of the Board.
 - (d) If a Participant has a Separation from Service for any reason other than death or other than following his or her Disability or Retirement Date, then any Option that has not expired or been terminated shall, unless the Committee shall otherwise provide in the Notification of Award, remain exercisable for three months after Separation from Service, but only to the extent that such Option was exercisable immediately prior to the Separation from Service; provided, however, that if the Participant is a Non-Employee Director, the Option shall remain exercisable until the expiration of the Term after such Non-Employee Director ceases to be a member of the Board, but only to the extent that such Option or was exercisable immediately prior to such Non-Employee Director ceasing to be a member of the Board.
- 9.3 Special Rules for Incentive Stock Options. In addition to (or in lieu thereof) the other terms and conditions applicable to all Options:
- (a) The aggregate Fair Market Value (determined as of the date an Incentive Stock Option is granted) of the Shares with respect to which Incentive Stock Options held by a Participant first become exercisable in any calendar year shall not exceed \$100,000 (or such other limit as may be required by the Code). To the extent an Option or Options granted to a Participant exceed this limit, the Option or Options shall be treated as a Non-Statutory Stock Option.
 - (b) An Incentive Stock Option shall not be exercisable more than ten (10) years after the date of grant (or such other limit as may be required by the Code).
 - (c) An Incentive Stock Option shall not be exercisable more than one year after termination of the Participant's employment with the Company if the Participant's employment with the Company terminates because of the Participant's death or

disability or more than three months after termination of the Participant's employment if the Participant's employment terminates for any reason other than death or disability. For purposes hereof, "disability" has the meaning set forth in Code Section 422(c)(6).

- (d) The Notification of Award covering an Incentive Stock Option shall contain such other terms and provisions that the Committee determines necessary to qualify the Option as an Incentive Stock Option.
- (e) No Participant may receive an Incentive Stock Option if at the time the Award is granted the Participant owns (after application of the rules contained in Code Section 424(d), or its successor provision), Shares possessing more than 10% of the total combined voting power of all classes of stock of the Company, unless (1) the purchase price for that Incentive Stock Option is at least one hundred ten percent (110%) of the Fair Market Value of the Shares subject to that Incentive Stock Option on the date of grant, and (2) the Option is not exercisable after the date five years from the date that Incentive Stock Option is granted.

X. STOCK APPRECIATION RIGHTS

- 10.1 Nature of Award. An Award of a Stock Appreciation Right shall entitle the Participant (or a beneficiary), subject to terms and conditions determined by the Committee (or its delegate) to receive upon exercise of the Stock Appreciation Right, all or a portion of the excess of the Fair Market Value of a specified number of Shares as of the date of exercise of the Stock Appreciation Right over a specified price that shall not be less than 100% of the Fair Market Value of such Shares as of the date of grant of the Stock Appreciation Right.
- 10.2 Connection with Other Awards. A Stock Appreciation Right may be granted in connection with part or all of, in addition to, or completely independent of an Option or any other Award under the Plan. If issued in connection with a previously or contemporaneously granted Option, the Committee (or its delegate) may impose a condition that exercise of a Stock Appreciation Right cancels a pro rata portion of the Option with which it is connected and vice versa.
- 10.3 Terms of Award. Each Stock Appreciation Right may be exercisable in whole or in part on the terms provided in the Notification of Award. No Stock Appreciation Right shall be exercisable at any time after the expiration of its Term. When a Stock Appreciation Right is no longer exercisable, it shall be deemed to have lapsed or terminated.
- 10.4 Payment. Upon exercise of a Stock Appreciation Right, payment to the Participant or a beneficiary shall be made in a lump sum. Payment shall be made in the form of Shares. The Notification of Award may provide for a limitation upon the amount or percentage of the total appreciation on which payment may be made.
- 10.5 Separation from Service. Unless otherwise provided in the Notification of Award:
 - (a) If a Participant has a Separation from Service because of the Participant's death, then any Stock Appreciation Right that has not expired or been terminated shall become exercisable in full and may be exercised by the Participant's beneficiary at any time, or from time to time, within one year after the date of the Participant's death.
 - (b) If a Participant has a Separation from Service due to Disability, then any Stock Appreciation Right that has not expired or been terminated shall become exercisable in full, and the Participant or the Participant's beneficiary may exercise such Stock Appreciation Right at any time, or from time to time, within one year after the Participant's Separation from Service.
 - (c) If a Participant has a Separation from Service on or after the Participant's Retirement Date, then any Stock Appreciation Right that has not expired or been terminated shall remain exercisable for three years after the Participant's Separation from Service, but, unless otherwise provided in the Notification of Award, only to the extent that such Stock Appreciation Right was exercisable immediately prior to such Participant's Separation from Service; provided, however, that if the Participant is an Non-Employee

Director, the Stock Appreciation Right shall remain exercisable until the expiration of the Term after such Non-Employee Director ceases to be a member of the Board, but, unless otherwise provided in the Notification of Award, only to the extent that such Stock Appreciation Right was exercisable immediately prior to such Non-Employee Director ceasing to be a member of the Board.

- (d) If a Participant has a Separation from Service for any reason other than death or other than following his or her Disability or Retirement Date, then any Stock Appreciation Right that has not expired or been terminated shall, unless the Committee (or its delegate) shall otherwise provide in the Notification of Award, remain exercisable for three months after Separation from Service, but only to the extent that such Stock Appreciation Right was exercisable immediately prior to the Separation from Service; provided, however, that if the Participant is a Non-Employee Director, the Stock Appreciation Right shall remain exercisable until the expiration of the Term after such Non-Employee Director ceases to be a member of the Board, but only to the extent that such Stock Appreciation Right was exercisable immediately prior to such Non-Employee Director ceasing to be a member of the Board.

Notwithstanding the foregoing provisions, in no event shall a Stock Appreciation Right be exercisable after the expiration of the Term of such Award. Any Stock Appreciation Right that is not exercised within the periods set forth in the above provisions, except as otherwise provided by the Committee in the Notification of Award, shall terminate as of the end of the applicable period.

XI. PERFORMANCE UNITS

- 11.1 Nature of Award. An Award of Performance Units shall consist of the right to receive Shares in the future provided that certain Performance Goals are satisfied during a Performance Period.
- 11.2 Terms and Conditions of Award. The Notification of Award shall describe the terms and conditions required to be satisfied in order for the Participant to be entitled to payment of the Shares subject to the Award, including the Performance Goals (and their target levels) to be satisfied as a condition of receiving the Award. In the case of Covered Employees, the requirements of Code Section 162(m), as described in Section 2.1(v), and other provisions of the Plan addressing Covered Employees, must be satisfied. The notification of Award shall also describe when delivery of the Shares subject to the Performance Units will occur should the Performance Goals be attained.
- 11.3 Determination of Award. Following the conclusion of each Performance Period, the Committee shall determine the extent to which (a) Performance Goals have been attained, and (b) the number of Shares payable with respect to the Award.
- 11.4 No Rights of a Shareholder. Shares shall not be issued to the Participant until provided in the Notification of Award (or other document deferring receipt of the Shares, as may be permitted by the Committee).
- 11.5 Separation from Service. In general, a Participant must satisfy all of the terms and conditions of a Performance Unit Award in order to be entitled to receive the Shares subject to the Award. If a Participant Separates from Service before satisfaction of these terms and conditions, the Participant will immediately forfeit the Award. However, unless otherwise provided in the Notification of Award, if a Participant has a Separation from Service during the Performance Period because of the Participant's death or Disability all restrictions shall lapse with respect to a number of Shares under the Award that has been prorated for the portion of the Term of the Award prior to the Participant's Separation from Service. The Notification of Award may provide for other circumstances, including Separation from Service on or after reaching the Participant's Retirement Date, under which the Participant may receive a prorated Award. Any Performance Units as to which restrictions do not lapse under the preceding sentences or under the Notification of Award shall terminate at the date of the Participant's Separation from Service and such Performance Unit shall be forfeited to the Company.

11.6 Adjustments to Awards. The Notification of Award may permit an acceleration of the Performance Period and an adjustment of performance targets and payments with respect to some or all of the Performance Units awarded to a Participant, upon the occurrence of certain events, which may, but need not include, without limitation, a Fundamental Change; a recapitalization; a change in the accounting practices of the Company; a change in the Participant's title or employment responsibilities; the Participant's death, Disability or Separation from Service or after the Participant's Retirement Date or; with respect to payments in Shares with respect to Performance Units, a reclassification, stock dividend, stock split or stock combination as provided in Plan Section 16. The Notification of Award also may provide for a limitation on the value of an Award of Performance Units that a Participant may receive. In no event, however, shall a Performance Period be accelerated with respect to a Covered Employee unless the acceleration is a permitted acceleration under Code Section 162(m).

XII. EFFECTIVE DATE AND DURATION OF THE PLAN

12.1 Effective Date. The Omnibus Stock Plan was originally effective as of July 1, 2013. The Plan shall become effective as of December 9, 2020, if the Plan is approved by the requisite vote of Shareholders at the 2020 Annual Meeting of Shareholders or any adjournment thereof.

12.2 Duration of the Plan. The Plan shall remain in effect until all Stock subject to it shall be distributed, all Awards have expired or lapsed, the Plan is terminated pursuant to Section 15, or June 30, 2023 (the "Termination Date"); provided, however, that Awards made before the Termination Date may be exercised, vested or otherwise effectuated beyond the Termination Date unless limited in the Notification of Award or otherwise. No Award of an Incentive Stock Option shall be made more than ten years after the Effective Date (or such other limit as may be required by the Code). The date and time of approval by the Committee of the granting of an Award shall be considered the date and time at which the Award is made or granted.

XIII. PLAN DOES NOT AFFECT EMPLOYMENT STATUS

Status as an Employee eligible to receive an Award under the Plan shall not be construed as a commitment that any Award will be made under the Plan to that eligible Employee or to eligible Employees generally. Nothing in the Plan or in any Notification of Award or related documents shall confer upon any Employee or Participant any right to continue in the employment of the Company or constitute any contract of employment or affect any right that the Company may have to change such person's compensation, other benefits, job responsibilities, title, or to terminate the employment of such person with or without cause.

XIV. TAX WITHHOLDING

The Company shall have the right to require a Participant or other person receiving Shares under the Plan to pay the Company a cash amount sufficient to cover any required withholding taxes before actual receipt of those Shares. In lieu of all or any part of a cash payment from a person receiving Shares under the Plan, the Committee may, in its discretion, require that the individual cover all or any part of the required withholdings through a reduction of the number of Shares delivered or delivery or tender return to the Company of Shares held by the Participant or other person, in each case valued in the same manner as used in computing the withholding taxes under the applicable laws; provided, however, that in the case of Share withholding the amount withheld may not exceed the amount determined by applying the Participant's or beneficiary's minimum statutory withholding rate.

XV. AMENDMENT, SUSPENSION, AND TERMINATION OF THE PLAN

15.1 In General. The Board may at any time and from time to time amend, suspend or terminate the Plan. Except as limited in Section 15.2 below, the Committee may at any time alter or amend any or all Notifications of Award under the Plan to the extent permitted by law.

15.2 Exceptions. No amendment, suspension or termination of the Plan will materially and adversely affect any right acquired by any Participant or beneficiary under an Award granted before the date

of amendment, suspension or termination, unless otherwise agreed to by the Participant in the Notification of Award or otherwise, or required as a matter of law; but it will be conclusively presumed that any adjustment for changes in capitalization provided for in Plan Sections 11.6 or 16 does not adversely affect these rights.

XVI. ADJUSTMENT FOR CHANGES IN CAPITALIZATION

In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company or other similar corporate transaction or event affects the Shares such that an adjustment is required to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of: (a) the number and type of Shares (or other securities or other property) that thereafter may be made the subject of Awards; (b) the number and type of Shares (or other securities or other property) subject to outstanding Awards; and (c) the purchase or exercise price with respect to any Award, provided such change is made in accordance with the requirements of Treas. Reg. § 1.409A-1(a)(5)(iii)(E)(4).

XVII. FUNDAMENTAL CHANGE

In the event of a proposed Fundamental Change, the Committee may, but shall not be obligated to take the following actions:

17.1 Substitution. If the Fundamental Change is a merger, consolidation or statutory share exchange, make appropriate provision for the protection of the outstanding Options and Stock Appreciation Rights by the substitution of Options, Stock Appreciation Rights and appropriate Stock of the corporation surviving any merger or consolidation or, if appropriate, the parent corporation of the Company or such surviving corporation; or

17.2 Cancellation and Notice. At least ten days before the occurrence of the Fundamental Change, declare, and provide written notice to each holder of an Option or Stock Appreciation Right of the declaration, that each outstanding Option and Stock Appreciation Right, whether or not then exercisable, shall be canceled at the time of, or immediately before the occurrence of the Fundamental Change in exchange for payment to each holder of an Option or Stock Appreciation Right, within ten (10) days after the Fundamental Change, of cash equal to (i) for each Share covered by the canceled Option, the amount, if any, by which the Fair Market Value per Share exceeds the purchase price per Share covered by such Option, or (ii) for each Stock Appreciation Right, the price determined pursuant to Section 10. At the time of the declaration provided for in the immediately preceding sentence, each Stock Appreciation Right and each Option shall immediately become exercisable in full and each person holding an Option or a Stock Appreciation Right shall have the right, during the period preceding the time of cancellation of the Option or Stock Appreciation Right, to exercise the Option as to all or any part of the Shares covered thereby or the Stock Appreciation Right in whole or in part, as the case may be. In the event of a declaration pursuant to this Section 17.2, each outstanding Option and Stock Appreciation Right granted pursuant to the Plan that shall not have been exercised before the Fundamental Change shall be canceled at the time of, or immediately before, the Fundamental Change, as provided in the declaration. Notwithstanding the foregoing, no person holding an Option or a Stock Appreciation Right shall be entitled to the payment provided for in this Section 17.2 if such Option or Stock Appreciation Right shall have terminated, expired or been cancelled.

XVIII. FORFEITURES

18.1 Forfeiture. A Notification of Award may provide that if a Participant has received or been entitled to delivery of Shares pursuant to an Award within six months before the Participant's Separation from Service with the Company, the Committee, in its sole discretion, may require the Participant to return or forfeit the Shares received with respect to the Award (or its economic value as of: (a) the date of the exercise of Options or Stock Appreciation Rights, (b) the date of, and

immediately following, the lapse of restrictions on Restricted Stock or the receipt of Shares without restrictions, or (c) the date on which the right of the Participant to payment with respect to Performance Units vests, as the case may be), in the event of certain occurrences specified in the Notification of Award. The Committee's right to require forfeiture must be exercised within any period required by law. The occurrences may, but need not, include termination for "cause" (as defined in the Notification of Award or, if applicable, as defined in any employment agreement between the Participant and the Company), competition with the Company, unauthorized disclosure of material proprietary information of the Company, a violation of applicable business ethics policies of the Company, a violations of applicable law, or any other occurrence specified in the Notification of Award within the period or periods of time specified in the Notification of Award.

18.2 Required Clawback. The Company reserves the right to require a Participant to pay back to the Company any amount received under an Award under the Plan to the extent required by law, under any applicable listing standard or under any applicable clawback policy adopted by the Company.

XIX. BENEFICIARY UPON PARTICIPANT'S DEATH

In the event that any interest in Company Stock is or becomes distributable under the plan at the time of the Participant's death, such interest shall be distributed to the beneficiary or beneficiaries designated by the Participant. Such interest shall be distributed according to the terms of the Plan and the Notification of Award. In order for a beneficiary designation to be valid for purposes of the Plan, it must be completed and filed with the Company according to the rules established by the Company. If the Participant has not completed a beneficiary designation, or all such beneficiaries have predeceased the Participant, then any amount that becomes payable under the Plan by reason of the Participant's death shall be paid to the personal representative of the Participant's estate. If there is any question as to the legal right of any person to receive a distribution under the Plan by reason of the Participant's death, the amount in question may, at the discretion of the Committee, be paid to the personal representative of the Participant's estate, in which event the Company shall have no further liability to anyone with respect to such amount. This section 19 shall apply to all Awards granted under the Plan.

XX. CORPORATE MERGERS, ACQUISITIONS, ETC.

The Committee may also grant Options, Stock Appreciation Rights, Restricted Stock or other Awards under the Plan in substitution for, or in connection with the assumption of, existing options, stock appreciation rights, restricted stock or other award granted, awarded or issued by another corporation and assumed or otherwise agreed to be provided for by the Company pursuant to or by reason of a transaction involving a corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation to which the Company is a party. The terms and conditions of the substitute Awards may vary from the terms and conditions set forth in the Plan to the extent the Board at the time of the grant may deem appropriate to conform, in whole or in part, to the provisions of the awards in substitution for which they are granted.

XXI. UNFUNDED PLAN

Except with respect to Awards of Restricted Stock, the Plan shall be unfunded and the Company shall not be required to segregate any assets that may at any time be represented by Awards under the Plan. Neither the Company, the Committee, nor the Board shall be deemed to be a trustee of any amounts to be paid under the Plan nor shall anything contained in the Plan or any action taken pursuant to its provisions create or be construed to create a fiduciary relationship between the Company and a Participant or beneficiary. Except with respect to Awards of Restricted Stock, to the extent any person acquires a right to receive an Award under the Plan, this right shall be no greater than the right of an unsecured general creditor of the Company.

XXII. LIMITS OF LIABILITY

22.1 Any liability of the Company to any Participant with respect to an Award shall be based solely upon contractual obligations created by the Plan and the Notification of Award.

22.2 Except as may be required by law, neither the Company nor any member of the Board or of the Committee, nor any other person participating in any determination of any question under the Plan, or in the interpretation, administration or application of the Plan, shall have any liability to any party for any action taken, or not taken, in good faith under the Plan.

XXIII. COMPLIANCE WITH APPLICABLE LEGAL REQUIREMENTS

No certificate for Shares distributable pursuant to the Plan shall be issued and delivered unless the issuance of the certificate complies with all applicable legal requirements including, without limitation, compliance with the provisions of applicable state securities laws, the Securities Act of 1933, as amended and in effect from time to time, or any successor statute, the Exchange Act and the requirements of the exchanges on which the Company's Shares may, at the time, be listed.

XXIV. DEFERRALS AND SETTLEMENTS

The Committee may require or permit Participants to elect to defer the issuance of Shares under such rules and procedures as it may establish under the Plan. It may also provide that deferred settlements include the payment or crediting of interest on the deferral amounts.

XXV. OTHER BENEFIT AND COMPENSATION PROGRAMS

Payments and other benefits received by a Participant under an Award made pursuant to the Plan shall not be deemed a part of a Participant's regular, recurring compensation for purposes of the termination, indemnity or severance pay laws of any country and shall not be included in, nor have any effect on, the determination of benefits under any other employee benefit plan, contract or similar arrangement provided by the Company unless expressly so provided by such other plan, contract or arrangement, or unless the Committee expressly determines that an Award or portion of an Award should be included to accurately reflect competitive compensation practices or to recognize that an Award has been made in lieu of a portion of competitive cash compensation.

XXVI. REQUIREMENTS OF LAW

To the extent that federal laws do not otherwise control, the Plan and all determinations made and actions taken pursuant to the Plan shall be governed by the laws of the State of Iowa without regard to its conflicts-of-law principles and shall be construed accordingly. If any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

XXVII. REPRICING; SHAREHOLDER APPROVAL

Except as provided in Plan Section 16, neither the Board nor any committee thereof shall cause the Company to adjust or amend the exercise price of any outstanding Award, whether through amendment, replacement grant, or other means, without the prior approval of the shareholders of the Company.

XXVIII. COMPLIANCE WITH CODE SECTION 409A

Any benefit under the Plan that is or becomes subject to Code Section 409A is intended to comply with the requirements of Code Section 409A, and the benefit will be administered, and any Plan term governing such benefit will be interpreted, accordingly. Notwithstanding any other provision in the Plan or any Notification of Award to the contrary, if at the time of the Participant's Separation from Service, the Participant is a "specified employee" within the meaning of Section 409A(a)(2)(B)(i) of the Code, distributions made on account of the Participant's Separation from Service that are subject to Code Section 409A may not be made before the date that is six months after Participant's Separation from Service. In such instance, and notwithstanding the payment terms under an individual Notification of Award, distributions will commence on the first day of the seventh month following the Separation from Service and the first monthly distribution shall include the aggregate payments (if any) that were delayed pursuant to this paragraph. For purposes of this Plan, any series of installment payments to which a Participant may be entitled under any Award subject to 409A shall be treated as a right to a series of separate payments under Section 409A.

XXIX. DISPUTES

- 29.1 Claims Resolution; Initial Decision. Claims under the Plan shall be referred to the Company for initial decision. An initial decision shall be required as a condition precedent to mediation of any claim arising under the Plan, unless 30 days have passed after the claim has been referred to the Company with no decision having been rendered. The Company will review claims and within ten days of the receipt of a claim will take one or more of the following actions:
- (a) request additional supporting data from the claimant;
 - (b) reject the claim in whole or in part;
 - (c) approve the claim;
 - (d) suggest a compromise; or
 - (e) advise the claimant that the Company is unable to resolve the claim if the Company lacks sufficient information to evaluate the merits of the claim.

If the Company requests the claimant to provide a response to a claim or to furnish additional supporting data, the claimant shall respond within 10 days after receipt of such a request and shall either:

- (a) provide a response on the requested supporting data;
- (b) advise the Company when the supporting data will be furnished; or
- (c) advise the Company that no supporting data will be furnished.

Upon receipt of the response or supporting data, the Company will render an initial decision approving or rejecting the claim. The initial decision shall be final and binding on the parties, but subject to mediation and, if the Company and claimant fail to resolve their dispute through mediation, subject to binding arbitration.

- 29.2 Claims Resolution; Mediation. Either the Company or the claimant may file for mediation of the initial decision at any time, except that either the Company or the claimant may, within 30 days from the date of an initial decision, demand in writing that the other party file for mediation within 60 days of the initial decision. If such a demand is made and the party receiving the demand fails to file for mediation within the time required, then both parties waive their rights to mediate or pursue binding dispute resolution proceedings with respect to the initial decision.

If either the Company or the claimant files for mediation, the parties shall endeavor to resolve their claims by mediation, which, unless the parties mutually agree otherwise, shall be administered in accordance with the rules of the American Arbitration Association.

- 29.3 Claims Resolution; Binding Arbitration. Any claim subject to, but not resolved by mediation shall be subject to binding arbitration which, unless the parties mutually agree otherwise, shall be administered in accordance with the rules of the American Arbitration Association.

The decision rendered by the arbitrator or arbitrators shall be final, binding, enforceable and non-appealable, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof. Mediation and Arbitration shall be conducted in Dubuque, Iowa. Cost of mediation and arbitration shall be equitably allocated among the parties as determined by the mediator or arbitrator.
